

LUMINEER CORDLESS PRO LED LIGHT KIT

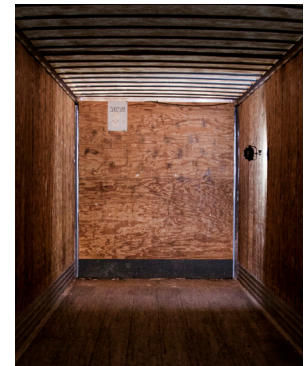

Super bright, cool to the touch, cordless light.

This incredibly bright LED light will meet all of your flood lighting expectations, and more! The permanently mounted bracket allows 360° rotation at all times. It is housed in 100% die cast aluminum, making it extremely light and unbelievably durable. It produces a color temperature strong enough for color matching paint. With its advanced circuitry and lens technology, the Lumineer Cordless Pro LED Light stays cool enough to continually touch! Plus no cords to trip over and "take-anywhere" magnetic base make it easy to brighten any job.

A THE LUMINEER LED LIGHT

- Super bright two lumen modes. Hi: 1500 Lumens / Low: 750 Lumens
- UL and CSA rated for outdoor use
- Waterproof rating of IP65 (Ingress Protection: Dust tight/protected against heavy seas)
- 15 watts of power, 11.1 Volt DC
- LED life of 13 yrs. and/or 100,000 hrs.
- 100% die cast aluminum housing makes it extremely light and super tough
- 2 year warranty against manufacturer's defects*
- Rechargeable high capacity 11.1V 4000mAh Li-ion battery equipped with a 12.6V, 1.8A high power AC charger
- Up to 3 hours (15 w) / 6-7 hours (8 w) of continuous use
- Equipped with a permanent 360° rotational mounting bracket featuring the ability and versatility to be used on all 3 Vision Pro stands
- 6500 K Color Temperature (compares to the brightness outside, 12 pm on clear day) which is perfect for color temperature needed for matching paint
- Special aluminum housing, advanced circuitry and superior lens technology allows for a continual cool to touch light

* Does not include abuse, neglect or tampering

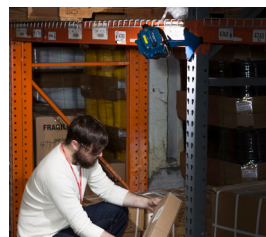

B LUMINEER MAGNETIC STAND

- The unique design and 3 super strong magnets allow the user to attach either the AC or DC model Vision-Pro Super Illuminator lights to any metallic surface
- Simple thumb screw design allows for multiple light angles

C LUMINEER LED LIGHT TRI-POD STAND

- Multi purpose tri-pod stand for any job
- Variable height adjustment from 34-7/8" high to 74-1/4" high
- Legs extend out 24" each for stability and prevent falling over
- PVC caps on legs prevent sliding & damage to delicate surfaces
- Equipped with built in electrical cord rollup hooks and velcro lanyard strap for ease and safety when moving and storing the equipment

*2 year warranty against manufacturer's defects. Warranty does not include abuse, neglect or tampering. Charger is not warranted due to inability to control AC power surges.
